### Comprehensive Adult New Patient Health History Questionnaire

Your answers on this form will help your health care provider get an accurate history of your medical concerns and conditions. If you are a current patient there is a shorter update form you can use. Please fill in all **six** pages. It is long because it is comprehensive. We really want to know you well so we can properly care for you. If you cannot remember specific details, please provide your best guess. If you are uncomfortable with any question, do not answer it. Thank-you!
